Q54

Question: List of all locations – where there has been no capital or fit-out costs for each facility, what are the lease/rental/occupation costs? Are these lease/rental/occupation costs included in departmental or administered costs in the budgets? What are these costs for each of the facilities not owned and/or operated by the department/government?

(Supplementary to Question 1)

Answer: The following places of detention are located on Commonwealth property and therefore no rent or lease costs are paid:

- Christmas Island IDC (including Construction camp and Phosphate Hill)
- Maribyrnong IDC,
- Scherger IDC,
- Villawood IDC,
- Port Augusta IRH,
- Sydney IRH,
- Adelaide ITA,
- Brisbane ITA, and
- Melbourne ITA.

Curtin IDC and Northern IDC incurred capital and fit-out costs prior to occupancy. Both sites are located on Commonwealth property.

Perth IDC is a leased site, however, this was a designated place of detention prior to November 2007.

Perth IRH is a long term site lease which was paid up front prior to November 2007.

Payments made during financial year/s in relation to alternate places of detention are listed below.
