Question no: 3

Topic: INQUIRY INTO MEDICARE FUNDING FOR HYPERBARIC OXYGEN TREATMENT

Type of Question: Written Question on Notice

Senator Fierravanti-Wells asked:

How many hyperbaric services are provided in the public system for non-diabetic wounds in each jurisdiction? What capacity will there be to absorb patients from the private system?

Answer:

This is a question for state and territory governments as they fund and provide patient services provided in public hospitals (for both in and out patients).
