Dear Committee Secretary

Inquiry into the effect on Australian ginger growers of importing fresh ginger from Fiji

I am writing on behalf of Murray Bros., a ginger wholesaler in the Rocklea Markets, Brisbane.

We are concerned for the Australian Ginger Industry that if a proper Import Risk Analysis is not accomplished and given proper risk mitigation measures, the Australian Ginger Industry and our business will be affected.

We support the Australian Industry in their endeavour to have a proper Import Risk Analysis executed on the Pest and Diseases in Fijian Ginger.

Yours Sincerely

Rodney Ahchay
