Submission to the Inquiry into the Fair Work Amendment (Small Business-Penalty Rates Exemption) Bill 2012

I am a permanent employee, working as a driver, currently earning around 21.50 per hour.

i have a family and rent my house the extra money i get from penalty rates help me a lot

If penalty rates were abolished... i would go on the dole and get more money then working

My weekends are important to me because...i get to spend time with the kids and family

I urge the committee to keep penalty rates.why not look at the cost of the food and how

many resturants there are in one place
